Office of the Chief Financial Officer

Natwar M. Gandhi
Chief Financial Officer

MEMORANDUM

TO: The Honorable Linda W. Cropp
Chairman, Council of the District of Columbia

FROM: Natwar M. Gandhi
Chief Financial Officer

DATE: December 2, 2002

SUBJECT: Fiscal Impact Statement: "District Anti-Deficiency Act of 2002"

REFERENCE: Bill Number 14-811 as Engrossed

Conclusion

There is no fiscal impact associated with the proposed legislation. The proposed legislation is procedural for which the District has sufficient staff and resources to implement.

Background

The proposed legislation establishes local Anti-deficiency law and applies it to District officers and employees. The proposed legislation is similar to the federal Anti-deficiency law¹ which prohibits District officers and employees from exceeding agency appropriations in any fiscal year.

Financial Plan Impact

Funds are sufficient in the FY 2003 through FY 2006 budget and financial plan because no additional staff or resources are required to implement the proposed legislation. This bill will have no impact on local General Fund revenue.
